

# Final Affidavit - solar installation

Permit #: \_\_\_\_\_

Job Address: \_\_\_\_\_

I, \_\_\_\_\_ licensed as a  
\_\_\_\_ Contractor, \_\_\_\_ Engineer, or Architect – License number \_\_\_\_\_

On (date and time), \_\_\_\_\_ I personally inspected all of the solar panel roof attachments and found the panels to have been mounted and fastened in accordance with the requirements of engineered design and adopted Building Code and have reviewed the engineer's plans for the work located at the above address. Based on that examination and inspection, I hereby certify that, to the best of my knowledge, the installation has been done in accordance with the requirements of both engineered design and Building Code.

**Note: Benton County will require a third-party inspection if there are discrepancies noted between our inspection and this final affidavit per IRC R104.4 "Inspections" at a cost to be incurred by others (contractor, installer, owner).**
