

BENTON COUNTY RURAL WATER SUPPLY
MITIGATION CERTIFICATE APPLICATION CHECKLIST
FOR SUBDIVISIONS AND SHORT PLATS

For all Mitigation Certificate Applications submitted as part of the Benton County subdivision or short plat application, all components below must be met. Please follow the checklist below to ensure that you meet all timelines and requirements. Incomplete applications will be returned to the applicant. **All fees are non-refundable.**

FOR THE INITIAL MITIGATION CERTIFICATE APPLICATION SUBMITTAL:

- Complete one Mitigation Certificate application for each new lot within a proposed subdivision or short plat. All parts of each Mitigation Certificate application, including the Statements of Understanding and the notary pages must be completed.
- Attach a full legal description of the parent parcel. Legal descriptions can be found on the property's title report. Alternatively, the legal description may be obtained through the Benton County Assessor's office.
- Attach a completed Irrigation Water Availability Affidavit.
- Submit the completed applications for each lot and all attachments to the Benton County Planning Division.

ISSUANCE OF THE MITIGATION CERTIFICATES:

- Applicant shall pay the applicable Mitigation Certificate Package fees for each lot to the Benton County Planning Division. Payments may be made in cash, check, or credit card; however, a 2.5% surcharge will be incurred if paying by credit card.
PACKAGE A: \$663.00; or PACKAGE B: \$1,410.00; or PACKAGE C: \$2,157.00.
- Applicants shall then sign the Mitigation Certificates issued by the Planning Division. The Planning Division will retain the signed Mitigation Certificates for recording after the final plat has been approved and recorded.

AFTER MITIGATION FEES HAVE BEEN PAID:

- Applicant may proceed with subdivision/short plat application to obtain final plat approval.
- Once final approval of the subdivision/short plat has been issued and the plat is ready to be recorded, the applicant shall provide a check (made payable to the Benton County Auditor) to the Planning Division for the recording fees of the Mitigation Certificates for each lot. The applicant is responsible for all applicable recording fees.
- After the Planning Division has received the check for the recording fees and the final plat has been legally recorded; Planning Staff shall then record the Mitigation Certificates with the Benton County Auditor's Office on the title of record associated with the subject property.
- Once the Certificates have been recorded, Planning Staff will send the applicant the receipt for the recording fees and a letter stating the documents have been recorded against the title of the property.

BENTON COUNTY WATER BANK PACKAGES

Please choose one of the packages below

PACKAGE A - \$663.00:

Applicants with access to outdoor irrigation water or subject to an assessment by an irrigation district may only purchase mitigation Package A. Authorizes use of annual average of two hundred (200) gallons per day, in the aggregate, of private well water for indoor domestic use only. So long as the annual daily average is not exceeded in any consecutive twelve (12) month period, the maximum daily withdrawal on any given day shall be six hundred seventy-five (675) gallons.

PACKAGE B - \$1,410.00:

Applicants located outside an irrigation district or within a district but not subject to assessment by the district may purchase mitigation Package B. Authorizes use of an annual average of three hundred (300) gallons per day, in the aggregate, of private well water for indoor domestic use and outdoor irrigation of up to 1500 square feet. So long as the annual daily average is not exceeded in any consecutive twelve (12) month period, the maximum daily withdrawal on any given day shall be one thousand (1000) gallons.

PACKAGE C - \$2,157.00:

Applicants located outside an irrigation district or within a district but not subject to assessment by the district and who do not purchase Package B, may purchase mitigation Package C. Authorizes use of an annual average of four hundred (400) gallons per day, in the aggregate, of private well water for indoor domestic use and outdoor irrigation of up to 3000 square feet. So long as the annual daily average is not exceeded in any consecutive twelve (12) month period, the maximum daily withdrawal on any given day shall one thousand three hundred (1300) gallons.

STATEMENTS OF UNDERSTANDING

I understand that a Mitigation Certificate shall only be issued as part of a Benton County Building Permit or a subdivision/short plat application and that a separate Mitigation Certificate is required for each new lot that is proposed as part of a subdivision or short plat application.

Initials Water use on this parcel from the groundwater well with the tag number listed above should not exceed the limitations set for in the Mitigation Certificate issued.

Mitigation is for use on the above-mentioned parcel only and is not transferable for use at other locations or for any other uses.

Mitigation for indoor domestic use applies to water for drinking, bathing, sanitary purposes, cooking and laundering. It also includes incidental uses such as washing windows, car washing, cleaning exterior structures, care of household pets, etc.

I understand that if package A is purchased, then I am limited to an annual average of two hundred (200) gallons per day, in the aggregate, of private well water for indoor domestic use only. So long as the annual daily average is not exceeded in any consecutive twelve (12) month period, the maximum daily withdrawal on any given day shall be six hundred seventy-five (675) gallons.

I understand that if package B is purchased, then I am limited to an annual average of three hundred (300) gallons per day, in the aggregate, of private well water for indoor domestic use and outdoor irrigation use of up to 1500 square feet. So long as the annual daily average is not exceeded in any consecutive twelve (12) month period, the maximum daily withdrawal on any given day shall be one thousand (1000) gallons.

I understand that if package C is purchased, then I am limited to an annual average of four hundred (400) gallons per day, in the aggregate, of private well water for indoor domestic use and outdoor irrigation use of up to 3000 square feet. So long as the annual daily average is not exceeded in any consecutive twelve (12) month period, the maximum daily withdrawal on any given day shall be one thousand three hundred (1300) gallons.

I understand that should I not comply with the statements above and all requirements in Benton County Code Title 15, enforcement action shall be taken through Benton County Code Title 15.

Initials **I have read and understand the statements listed above.**
