

SUBDIVISION VACATION INFORMATION

What is a Subdivision Vacation?

A Subdivision Vacation is used to vacate any or all of the land from a subdivision, an easement granted by the subdivision, or an entire area designated or dedicated for public use.

The Process

When any person wishes to vacate any or all of the land from a subdivision, an easement granted by the subdivision or an entire area designated or dedicated for public use, that person shall file an application for a Subdivision Vacation. The application must include signatures of all parties having an ownership interest in the land to be vacated from the subdivision and if an easement or area dedicated for public use is to be vacated, then the signature of all owners of land within the subdivision or phase thereof.

Once a Subdivision Vacation application is submitted, it is reviewed by Planning Div staff for completeness. If it is determined to be complete, a copy of the application will be sent out for review to local and State agencies as well as property owners within 300 feet of the subject property. After a review period, the application is advertised in the local newspaper and a public hearing is conducted at which time the application is heard by the Board of County Commissioners and the public will have an opportunity to comment.

During the public hearing, the Board of County Commissioners shall determine whether the public use or benefit is served by the vacation. The Planning Division will send a letter to the applicant informing them of the Commissioners' decision and outlining the recording process if the application is approved.

If the Vacation application is to vacate a public road or right-of-way, an application for vacation must be filed with the Benton County Road Department.

Appeals

The decision by the Commissioners is appealable under the terms and conditions as set forth in state law.
