

Critical Areas Consultant List

****Please Note**** This is a list of critical areas consultants that have submitted a statement of qualifications to Benton County Community Development consistent with the requirements in BCC 15.02. Benton County does not recommend, endorse, certify, license, guarantee, or vouch for any consultant or their qualifications. There may be other individuals or firms qualified to perform critical areas consultations that are not listed here. In addition, Benton County assumes no liability for any claims that could develop as a result of using anyone on this list and the user does so at their own risk. Please contact the Benton County Planning Division if you would like to be added to this list or would like to see the qualifications of anyone on this list.
