CASE NO.:

Plaintiff,
vs.

**WAIVER OF TRIAL SETTING
(MILLER WAIVER)**

DOB: _____
Defendant

1. I understand that I have been charged with the crime(s) of _____.
2. I understand that I have the right to a jury trial as provided in the Washington State Constitution and CrRLJ 6.1(1).
3. I understand that, under CrRLJ 3.3(d)(1), I have a right to have the court set a trial date within 15 days of my actual arraignment by the trial court, or at the pretrial hearing. That trial date shall be set within my currently calculated time for speedy trial, and the court shall notify each party of the date set.
4. I understand that, under CrRLJ 3.3(d)(2), when the court determines that the trial date should be reset for any reason, including but not limited to the applicability of a new commencement date pursuant to CrRLJ 3.3 (c)(2) or a period of exclusion pursuant to CrRLJ (e), the court shall set a new date for trial which is within the time limits prescribed and notify each party of the date set.
5. Knowing these rights, I wish to waive my right to the setting of a trial date under either section (3) or (4) of this waiver and set only a future pre-trial date. I understand, at any point, I can ask the court to set a trial date, and the court shall set such a trial date which is within my currently calculated speedy trial including my most current Waiver of Speedy Trial, if applicable, and notify each party of the date set.
6. No threats or promises have been made by anyone to force me to waive my right to the setting of a trial date, and I am waiving my right to the setting of a trial voluntarily.

I have read this form, and I have had an opportunity to have all my questions addressed. Having been advised of my right to set a trial, I request the court not set a trial date at this time.
