Each party must have an Agreement administrator at all times this agreement is in force. Parties may change their Agreement administrator by submitting notice of such change to the other party in writing.

3. AVAILABILITY OF DETENTION CENTER FACILITIES:

Each party shall accept a juvenile requested by the other party at its sole discretion. This discretion is in addition to each party's rights with respect to certain juveniles set forth in Sections 8 and 9 herein. Each party shall only submit juveniles for confinement under this Agreement that are held 24 hours a day in secure confinement. Juveniles incarcerated pursuant to this Agreement will not be eligible for participation in work crew, work release, home monitoring or any other programs in which juveniles serve all or part of their sentences outside the confines of a detention center.

4. COMPENSATION:

- (a) Monetary Consideration. The parties mutually agree that the housing of an juvenile by the Receiving County on behalf of the Transferring County shall be compensated at the rate of \$200 for every 24-hour period, or portion thereof, that said juvenile is in the custody of the Receiving County. Such time period shall be measured from the time said juvenile is transferred to the custody of the Receiving County and ends when the Transferring County resumes custody. The first day of detention will be defined as the first 24-hour period the juvenile is formally admitted to detention. If a juvenile is confined less than 24 hours, a full day will be assessed. Each 24-hour period, or portion thereof, thereafter, will constitute one additional day. For example: a juvenile admitted during the day at 4:00 p.m. Friday and released the following Sunday at 1:00 p.m. will be counted as utilizing two days.
- (b) Other Costs. The Transferring County shall also pay such other costs as are incurred by the Receiving County, or third parties, in incarcerating juveniles on behalf of the Transferring County, as set forth herein, including but not limited to any medical costs required by Section 5.

- (c) Billing. The Receiving County may bill the Transferring County on the 15th day of each month for all amounts due to the Receiving County under this Agreement for the services rendered in the prior calendar month. Payment shall be due from the Transferring County by the 15th day of the following month. Account balances overdue 30 days or more will be subject to a service charge of 1% per month (12% per annum). Should it become necessary, the Transferring County shall pay all collection costs associated with late payments.

5. MEDICAL COSTS AND TREATMENT:

- (a) Services Provided. Upon transfer of custody to the Receiving County, the Receiving County shall provide or arrange for the Transferring County's juvenile to receive all necessary medical, psychiatric, and dental services in accordance with the policies and procedures of the Receiving County and applicable law.
- (b) Cost Responsibility. The Transferring County shall be responsible for, or shall pay for the cost of, all medication prescribed for any of its juveniles. The Transferring County shall also pay for all costs associated with the delivery of medical, psychiatric, and dental services provided to a juvenile who, in the sole discretion of the Receiving County, requires the services of a third-party medical, dental, or psychiatric services provider, and for all emergency medical, dental, or psychiatric services, wherever provided. These costs shall be paid directly to the provider or as a reimbursement to the Receiving County, as directed by the Receiving County. The Receiving County shall bill the Transferring County only for the actual costs charged to the Receiving County and shall provide an itemization with such billing.
- (c) Notice. Except in case of situations deemed an emergency at the sole discretion of the Receiving County, the Receiving County shall notify the Transferring County's Agreement administrator in writing, by email, prior to transfer of a Transferring County's juvenile to a medical, dental or psychiatric provider outside of the County detention center or to a hospital for medical, psychiatric, or dental services.
- (d) Pre-Confinement Consents or Refusals. If a Transferring County's juvenile has either 1) received medical, psychiatric, or dental treatment; or 2) refused any medical, psychiatric, or dental treatment, from the Transferring County or any third-party provider of such services before transfer for confinement in the Receiving County's detention center, the Transferring County shall provide to the Receiving County all written verification of any authorization of or refusal to authorize care or treatment for such juveniles(s).
- (e) Return for Medical Services. Nothing herein shall preclude the Transferring County from retaking custody of an ill or injured juvenile by retaking custody of such juvenile at the Receiving County's detention center. Such retaking of custody shall be preceded by written notice at least 24 hours in advance of the

desired time of retaking custody. However, in situations where the Receiving County, in its sole discretion determines, that a juvenile requires emergency medical care, the Receiving County shall have the right to arrange for emergency medical services (at the Transferring County's expense) notwithstanding a request from the Transferring County to retake custody of the juvenile.

- (f) Records. The Receiving County shall keep records of all medical, psychiatric, or dental services it provides to a juvenile. Upon resumption of custody by the Transferring County, the Transferring County shall receive a copy or summary of the medical, psychiatric, or dental records held by the Receiving County for a juvenile of the Transferring County.
- (g) Transportation of Medications and Records. The Transferring County agrees to transport with the juvenile, any and all applicable medical records, current care instructions, as well as an appropriately labeled 5-day supply of the juvenile's current non-controlled substance medications, and any previously issued over-the-counter medication. The medical record shall at a minimum include the juvenile's name, JUVIS number, date of birth, any known allergies, current medication list, description of current medical problem(s), the in facility medical care provided, and the facility health staff contact information.

6. TRANSPORTATION OF JUVENILES:

- (a) Regular Transport. For all juveniles accepted by the Receiving County and unless agreed otherwise in writing, the Transferring County shall be responsible for transporting juveniles to and from its detention center for all purposes including but not limited to court hearings and medical appointments in Transferring County.
- (b) Transports by the Receiving County. For any transports by the Receiving County required by court order, or made at the Transferring County's request, the Transferring County shall reimburse the Receiving County for all costs associated with such transport; provided, this Agreement shall not be deemed to create an obligation of the Receiving County to provide any transports.
- (c) Transferring County Transport. In the event either party requests that custody of a juvenile be transferred back to the Transferring County, in accordance with any such right set forth in this Agreement, the Transferring County shall transport such juvenile in accordance with the guidelines set forth in this Section 6 (a) or (b) above. If the Transferring County desires to retake custody of the transferred juvenile, the Transferring County shall take custody of the juvenile at the Receiving County's detention center and handle all transport responsibility. The Transferring County shall provide at least 24 hours advanced written notice to the Receiving County of any such expected transport by the Transferring County.

7. **TRANSFER OF CUSTODY:**

- (a) Commencement of Custody by Receiving County. Transferring County juveniles shall not be deemed to be in the legal custody of the Receiving County until officers from the Receiving County's Department take physical control of such juvenile. The Receiving County shall not be required to take such control of a juvenile until the Transferring County has delivered copies of all juvenile records pertaining to the juvenile's incarceration by the Transferring County or its agent, including a copy of the juvenile's medical records held by the Transferring County or its agent, and a copy of the document that provides legal authority for the incarceration of the juvenile. If additional information is requested by the Receiving County regarding a particular juvenile, the parties shall mutually cooperate to obtain such information. In the absence of documentation and information satisfactory to the Receiving County, the receiving officer may refuse to accept the Transferring County's juvenile for confinement. The Receiving County shall not be required to take custody of or assume control of or responsibility for any property of the juvenile, except for such property that the Receiving County allows juveniles to keep in their cell. The Transferring County's officers delivering a juvenile to the transportation location shall be responsible for ensuring that all paperwork is in order and that all property allowed to be transported with the juvenile is properly packaged. At such time, and only at such time, as all paperwork and property are in order will the Receiving County take physical control of and assume custody of and responsibility for the Transferring County's juvenile to be confined.
- (b) Further Transfer of Custody. Except as otherwise allowed by Section 9 of this Agreement, the Receiving County shall not be required to, under any circumstances, transfer custody of any juvenile confined pursuant to this Agreement to any agency other than to the Transferring County without the written authorization from a court of competent jurisdiction. Even with such authorization, such transfer to another agency shall be at the discretion of the Receiving County and shall be further subject to the provisions of Section 6 above.
- (c) Responsibilities Upon Assumption of Custody. Upon transfer of custody to the Receiving County, it shall be the Receiving County's responsibility to administer the juvenile's sentence pursuant to the order of the committing court in the State of Washington. During such confinement, the Receiving County shall provide and furnish or arrange for all necessary medical and hospital services and supplies in accordance with Section 5 of this Agreement.
- (d) Resumption of Custody by Transferring County. The Transferring County shall be deemed to have resumed legal custody of an juvenile previously transferred to the Receiving County for incarceration pursuant to this Agreement, upon either presentation of such juvenile to the Transferring County's detention facilities, or upon the Transferring County's officers taking physical control of a juvenile at any other location.

8. **RIGHT TO REFUSE/RETURN A JUVENILE:** The Receiving County shall have the right to refuse to accept or to return any of the Transferring County's juveniles at its sole discretion, for any reason, including but not limited to the following:
- (a) **Pending Medical Needs.** The Receiving County shall have the right to refuse to accept any Transferring County juvenile who, at the time of presentation or drop off to the Receiving County's detention center facilities for confinement, is without the required medication and records as provided in Section 5(g), or appears as determined by the Receiving County, in need of medical, psychiatric, or dental attention, until the Transferring County has provided medical, psychiatric, or dental treatment to the juvenile to the satisfaction of the Receiving County.
 - (b) **Problematic Physical History or Behavior and New Medical Conditions.** The Receiving County shall have the right to refuse to accept or to return any Transferring County's juvenile that, in the sole judgment of the Receiving County, has a history of serious medical problems, presents a serious risk of escape, presents a serious risk of injury to other persons or property, represents a risk to the orderly and safe operation of the detention center, or develops an illness or injury that may adversely affect or interfere with the operations of the Receiving County's detention center. Any special transport costs, medical or otherwise, incurred in the return of the Transferring County's juvenile under this subsection shall be the responsibility of the Transferring County. The Receiving County agrees to make immediate notification to the Transferring County and forward copies of any and all incident reports, disciplinary reports, findings, and actions.
 - (c) **Claims/Litigation.** The Receiving County shall have the right to refuse to accept or to return any Transferring County juvenile that files a claim or lawsuit against the Receiving County or indicates intent to do so.
 - (d) **Return Due to Upcoming Expiration.** The Transferring County shall have the obligation to begin picking up Transferring County juveniles during the thirty days preceding expiration of this Agreement so that all juveniles may be transported pursuant to the regular transports under Section 6 (a) and (b) above.
 - (e) **Notice of Return and Transport.** The Receiving County shall provide written notice, via email, to the Agreement administrator of the anticipated return of a juvenile under this Section 8 to the contact person identified in Section 2. The Transferring County shall transport the juvenile(s) authorized for return under this Section 9 in accordance with Section 6 (a) and within seven days of such notice.
9. **REMOVAL FROM DETENTION CENTER - OTHER GROUNDS:** The Transferring County's juveniles may be removed from the Receiving County's detention facilities for the following additional reasons:

- (a) Request by Transferring County. Upon written request of the Transferring County for transfer of custody back to the Transferring County. In such case, the juvenile will either be transported by the Transferring County or by the Receiving County pursuant to Section 6 above.
- (b) Court Order. By order of a court having jurisdiction over a Transferring County's juvenile. In such case, transport shall be according to the terms expressed in the court order, or by the Transferring County or the Receiving County pursuant to Section 6 above.
- (c) Treatment Outside of Detention Center. For medical, psychiatric, or dental treatment or care not available within the Receiving County's detention center facilities, or which, in the Receiving County's sole discretion, requires the services of a third-party medical, psychiatric, or dental care provider at a location outside of the detention center.
- (d) Catastrophe. In the event of any catastrophic condition presenting, in the sole discretion of the Receiving County, an eminent danger to the safety of the juvenile(s) or personnel of the Receiving County. In such case, the Receiving County will inform the Transferring County, at the earliest practicable time, of the whereabouts of the juvenile(s) so removed and shall exercise all reasonable care for the safekeeping and custody of such juvenile(s).

10. TRANSFER OF JUVENILES UPON TERMINATION/ OF AGREEMENT:

- (a) Termination by either party. In the event of a notice of termination from the either party in accordance with Section 20 below, the Transferring County agrees to transport according to Section 6(a) and (b) until all juveniles are returned to the Transferring County before the termination date of the Agreement. Release dates schedule shall be determined between the Receiving County and the Transferring County according to the juvenile's normal release date or earlier if necessary, to transport prior to the termination date. Until such removal, the Transferring County shall pay the compensation and costs set forth herein related to the housing of such juvenile(s). The Receiving County shall retain all rights hereunder, notwithstanding such termination, until all of the Transferring County's juveniles are removed from the Receiving County's detention center. If the population of Transferring County's juveniles or timing of notice of termination is such that transports pursuant to section 6(a) and (b) will not be completed prior to the anticipated termination date, then Receiving County may increase transports beyond that in section 6(a) and (b) at Transferring County's expense or may require the Transferring County to transport the excess juveniles.
