Local Civil Rule 40 ASSIGNMENT OF CASES

(a) Notice of Trial - Note of Issue

(1) *Of Fact - Note for Trial Docket – Cases Not Subject to Civil Case Schedule Order.*

(A) Any party desiring to bring any issue of fact to trial, except for cases governed by LCR 4 and LCR 94.04W, shall file with the Clerk, deliver a copy to Court Administration and serve upon the other parties or their attorneys a "Notice of Trial Setting and Certificate of Readiness," in the form maintained by Court Administration, which shall contain the title for the court, a brief title of the case, the case number, the nature of the case, whether jury or non-jury, whether there has been a 12-person jury demand, whether a 6-person jury would be acceptable, estimated trial time, the name, address, e-mail and telephone number of each attorney assigned to the case, whether there should be a pre-trial conference, preferential trial dates or times, and anything further that would assist the Court in setting a trial date, and shall be subscribed by the attorney filing the same.

(B) An attorney noting a case for trial thereby certifies that the case is at issue, that there has been a reasonable opportunity for discovery, that discovery will be complete by the trial date, that necessary witnesses will be available, and that to his/her knowledge, no other parties will be served with a summons and no further pleadings will be filed prior to trial.

(C) The attorney noting the case for trial shall confer with all other counsel prior to noting the case for trial setting to determine if there is any objection to setting. If there is no objection, the attorney shall so certify on the notice of setting. If there is objection and the setting attorney believes the objections to readiness are not justified, the attorney shall so indicate on the setting notice and the matter shall be noted on the civil motion docket to argue the matter of trial setting.

(D) In the event all parties agree the case is ready for trial or will be ready for trial by a specific date, but have objections to particular dates, they shall notify Court Administration of unavailable dates within five (5) days after receiving the notice of trial setting.

(b) Methods.

(1) *Court Administration to Assign Dates.* Court Administration shall assign trial dates under the supervision of the Presiding Judge who shall be in direct charge of the trial calendar. To the extent practical, cases shall be set chronologically according to noting date, except for cases having statutory preference.

(2) *Jury and Non-jury Trials.* Upon the serving and filing of a "Notice of Trial Setting and Certificate of Readiness," Court Administration shall forthwith assign a specific trial date and notify the Clerk and counsel of the date assigned.

(3) *Advancing Trial Dates.* Any case assigned a specific date may, at the discretion of

the Presiding Judge, be advanced to an earlier date or may be reset if the court calendar permits. Notice shall be given at least five (5) days prior to the new trial date assigned.

(4) *One Day Trailing.* Except for good cause shown, all non-domestic civil cases shall trail for one day. That is, trials of cases in Benton County will be called on Mondays, but the parties must be prepared to begin trial on the next day (Tuesday). Similarly, trials of cases in Franklin County will be called on Wednesdays, but the parties must be prepared to begin trial on the next day (Thursday). Parties and counsel must check the court's Daily Schedule after 5:00pm on the court day prior to the scheduled trial date. If a case is not on the Daily Schedule, then the parties must again check the Daily Schedule on the next court day, after 5:00pm.

(5) *Notification of Settlement.* Notification of the settlement of a case set for trial shall be immediately given to Court Administration or, if unable to contact Court Administration, to the Clerk. Any circumstance preventing any case from going to trial as scheduled, immediately upon becoming known to counsel, shall be communicated to Court Administration. Failure to comply with this rule may result in the assessment of terms including the expense of a jury panel.

(c) **Stipulated Continuances.** No trial setting shall be continued by stipulation of counsel or pro se without good cause and without approval of the Ex Parte Judge or Court Administration within twenty (20) days of the date set for trial. More than twenty (20) days before trial, stipulations for continuance will normally be honored unless the Court concludes a continuance is unwarranted. All stipulations to continue must be supported by an affidavit setting forth the reasons for the continuance and submitted to Court Administration for review by the Ex Parte Judge. Stipulated orders continuing trial must be: (1) pre-approved by the Civil Case Manager and (2) include the following language: "*The Civil Case Manager has been contacted and pre-approved the stipulated continuance of trial on ____, 20__.*" Parties are to enter their stipulation within one week of receiving pre-approved trial dates from the Civil Case Manager. Pre-approved trial dates provided by the Civil Case Manager will only be held for one week. An extra copy of the proposed order continuing trial must be provided to the Civil Case Manager at the time pre-approval is requested. Upon entry, a copy of the order shall be provided to the Civil Case Manager within 3 days.

(d) **Change of Judge.**

(1) *Notice of Judicial Disqualification.*

(A) Under RCW 4.12.050, the motion and the affidavit must be filed with the clerk, and a copy delivered to Court Administration and to all other parties. If the party has not filed another motion and affidavit, and the motion and affidavit meet the requirements of RCW 4.12.050, the designated judge shall recuse himself or herself, without further order.

(B) Requests for Recusal. A party requesting the recusal of a judge may do so by motion and affidavit filed with the Clerk and a copy delivered to Court Administration and to all other parties. The matter shall be heard on the record by the judge against whom the request is made.

(2) *Disqualification - Court Commissioner.* Disqualifications of a Court Commissioner for change of Court Commissioner will not be recognized. The remedy of a party is for a motion for revision under RCW 2.24.050.

(e) **Pre-Assignment of Judge.** Judges will be pre-assigned to cases only by court order, for good cause, and will be assigned in order from the list maintained by Court Administration.

(f) **Writ of Habeas Corpus Relating to Custody of Minor Children.** Applications for Writs of Habeas Corpus relating to custody of minor children shall be presented to and returnable to the presiding judge of the Superior Court for Benton and Franklin Counties on court days between the hours of 8:30 a.m. to noon and 1:00 to 4:00 p.m.

Local Civil Rule 47
JURORS

(a) Voir Dire. The trial judge may examine the prospective juror touching their qualification to act as fair and impartial jurors in the case before him or her; provided that thereafter the trial judge shall give leave to respective counsel to ask the jurors such supplementary questions as may be deemed by the trial judge proper and necessary. The voir dire examination of prospective jurors shall, as nearly as possible, be limited to those matters having a reasonably direct bearing on prejudice or qualifications and shall not be used by opposing counsel as a means of arguing or trying their case on voir dire. The “struck method” of voir dire examination is allowed. That is, the parties may direct questions to individual jurors or to the panel or to portions thereof, in the discretion of the examiner.

(e) Challenge.

(1) Peremptory Challenges. All peremptory challenges allowed by law shall be exercised in the following manner:

(A) The bailiff will deliver to counsel for the plaintiff and counsel for the defendant, in turn, a prepared form upon which each counsel shall endorse the name of the challenged juror in the space designated, or his acceptance of the jury as constituted. The bailiff will then exhibit this form after each challenge to the opposing counsel, and the Court. After all challenges have been exhausted, the Court will excuse those jurors who have been challenged and will seat the jury as finally selected.

(B) A waiver by a party indicates an acceptance by that party of all jurors seated up to that point.

(C) The purpose of this rule is to preserve the secrecy of peremptory challenges and all parties and their counsel shall conduct themselves to that end. This procedure may be modified if appropriate.

(k) Selection of Jurors. The Benton County Superior Court and the Franklin County Superior Court shall employ a properly programmed electronic data processing system or device

to make random selection of jurors as required by RCW 2.36.063. It is determined that fair and random selection may be achieved without division of the county into three (3) or more jury districts. At least annually, a master jury list shall be selected by an unrestricted random sample in accordance with RCW 2.36.055.

(l) Jury Questionnaires. Subject to the limited access provisions of GR 31(f), original jury questionnaires completed by all prospective jurors shall be filed by the court clerk.

[Adopted Effective April 1, 1986; Amended Effective September 1, 2011; September 1, 2018; September 1, 2020]

The stipulation, if in writing, shall be filed in the cause; if oral, it shall be noted by the clerk in the minutes of the trial.

(b) Challenges Not Affected. The stipulation shall not affect the number of challenges, nor the manner of making them, unless the parties expressly agree otherwise. (See RCW 4.44.120, et seq.)

- ☐ ☐ Whether nonpayment of the rent was caused by exigent circumstances that were beyond the tenant's control and that are not likely to recur;

- ☐ ☐ The tenant's payment history;
- ☐ ☐ Whether the tenant is otherwise in substantial compliance with the rental agreement;
- ☐ ☐ Hardship on the tenant if evicted; and

After making the findings above and after consideration of the evidence of the statutory factors in RCW 59.18.410(3)(a), the Court finds that the tenant has shown good cause to stay the writ of restitution upon the fair and just terms below:

It is now therefore ORDERED that:

(5) If, upon a finding by a preponderance of the evidence that one or more of the grounds in section (b)(2) have been established, and the final disposition is that the grievance was brought in good faith and has been determined to be well-founded, there shall be a method of discipline to be imposed upon the Guardian ad Litem/Court Visitor set forth in the disposition which shall take effect immediately. Accepted forms of discipline shall consist of one or more of the following: (1) a verbal or written reprimand, (2) removal from the pending case; (3) suspension of the Guardian ad Litem/Court Visitor from the registry for a period not to exceed one (1) year; (4) suspension of the Guardian ad Litem/Court Visitor from the registry until such time as the Guardian ad Litem/Court Visitor has provided satisfactory proof of completing additional training in a specific area described in the disposition; (5) imposition of terms in the form of costs or other monetary sanctions; and/or (6) permanent removal of the Guardian ad Litem/Court Visitor from the registry for Title 11, Title 13, and/or Title 26 cases.

The grievance file shall include the original grievance, the Guardian ad Litem's/Court Visitor's response, and the written initial and final dispositions of the matter and shall be maintained by the Court Administrator for a period for no less than six (6) years.

(6) A Guardian ad Litem/Court who ceases to be on the registry and who still has active or incomplete cases shall immediately report this circumstance to the Court Administrator who will forthwith reassign such cases.

(7) Timelines stated herein may be modified by the Administrative Presiding Judge or judicial officer for the grievance for good cause. In calculating times, items mailed shall be deemed received by the addressee three (3) days after the date of mailing.

LOCAL MANDATORY ARBITRATION RULES

Local Mandatory Arbitration Rule 1.1

APPLICATION OF RULES

The purpose of mandatory arbitration of civil actions under RCW 7.06 as implemented by the Mandatory Arbitration Rules is to provide a simplified and economical procedure for obtaining the prompt and equitable resolution of disputes involving claims not exceeding one hundred thousand dollars (\$100,000). The Mandatory Arbitration Rules as supplemented by these local rules are not designed to address every question which may arise during the arbitration process and the rules give considerable discretion to the arbitrator. The arbitrator should not hesitate to be informal and expeditious, consistent with the purpose of the statute and rules.

[Adopted Effective September 1, 1996; Amended Effective March 1, 1997; September 1, 2003; January 1, 2006; September 1, 2018]

Local Mandatory Arbitration Rule 1.2

MATTERS SUBJECT TO ARBITRATION

By implementation of these rules the Superior Court of Washington for Benton and Franklin Counties authorizes mandatory arbitration under RCW 7.06.010, and approves such arbitration in civil actions in which no party asserts, on the party's own behalf, a claim in excess of one hundred thousand dollars (\$100,000) exclusive of interest, attorney's fees, and costs under RCW 7.06.020 as amended.

[Adopted Effective September 1, 1996; Amended Effective March 1, 1997; January 1, 2006; September 1, 2018]

Local Mandatory Arbitration Rule 2.1 TRANSFER TO ARBITRATION

(a) Statement of Arbitrability. In every civil case, following the commencement of the action, but no later than the date set forth in the case schedule order pursuant to LCR 4 or for cases filed on or before December 31, 2000 where no case schedule order has been issued, no later than sixty (60) days prior to a properly noted and set trial, any party may, upon the form prescribed by the court and maintained in Court Administration, complete a statement of arbitrability. The statement of arbitrability shall be filed in the Superior Court Clerk's Office and a duplicate copy delivered to Court Administration and the opposing party or parties. A party failing to file and serve a statement of arbitrability within the time prescribed shall be deemed to have waived arbitration, and may subject the matter to mandatory arbitration thereafter only upon leave of the court for good cause shown.

(b) Response to Statement of Arbitrability. Any party disagreeing with the statement of arbitrability shall serve and file a response on the form prescribed by the Court and maintained in Court Administration. A duplicate copy of the response shall be delivered to Court Administration. In the absence of such a response, the statement of arbitrability shall be deemed correct. Any response opposing the statement of arbitrability shall be filed within 10 court days after receipt of the statement of arbitrability. A notice of issue shall be filed with any response objecting to the statement of arbitrability, noting the matter for hearing on the issue of arbitrability within 10 court days of filing the response.

(c) Failure to File – Amendments. A person failing to serve and file an original response within the times prescribed may later do so only upon leave of the court. A party may amend a statement of arbitrability or response at any time before assignment of an arbitrator or assignment of a trial date, and thereafter only upon leave of the court for good cause shown.

(d) When Transfer to Arbitration Occurs for Purposes of Application of Local Rules. The case is transferred to arbitration upon the filing of a statement of arbitrability indicating that the case is subject to arbitration unless an objection to arbitration of the case is received within the time limits found in LMAR 2.1(b). This transfer shall also trigger the restriction on discovery contained in MAR 4.2 and LMAR 4.2.

(e) Civil Case Schedule Order Stricken. Any civil case schedule order entered in an action pursuant to LCR 4 shall be stricken upon the filing of a statement of arbitrability unless an objection to arbitration of the case is received within the time limits found in LMAR 2.1(b) in which event the civil case schedule order shall be stricken upon issuance of an order directing the case to mandatory arbitration following a hearing on the objection.

[Adopted Effective September 1, 1996; Amended Effective September 1, 1998; September 1, 1999; September 1, 2002; September 1, 2003; September 1, 2011; September 1, 2015; September 1, 2021]

Local Mandatory Arbitration Rule 2.3 ASSIGNMENT TO ARBITRATOR

(a) Generally; Stipulations. When a case is transferred to arbitration, but not less than ninety (90) days following filing and service on all parties subject to arbitration, a list of five proposed arbitrators will be furnished to all parties. A master list of arbitrators will be made

available upon request. The parties are encouraged to stipulate to an arbitrator. In the absence of a stipulation, the arbitrator will be chosen from among the five proposed arbitrators in the manner defined by this rule. If the parties stipulate to an arbitrator who is not one of the five proposed arbitrators, they must obtain the arbitrator's consent to appointment prior to submitting the stipulation to the Court.

(b) Response by Parties. Each party may, within 10 court days of the date mailed by the court, after a list of proposed arbitrators is furnished to the parties, nominate one or two arbitrators and strike one or two arbitrators from the list. If both parties respond, an arbitrator nominated by both parties will be appointed. If no arbitrator is nominated by both parties, Court Administration will randomly appoint an arbitrator from among those not stricken by either party.

(c) Response by Only One Party. If only one party responds within 10 court days of the date mailed by the court, Court Administration will appoint an arbitrator nominated by that party.

(d) No Response. If neither party responds within 10 court days of the date mailed by the court, Court Administration will randomly select and appoint one of the five proposed arbitrators.

(e) Additional Arbitrators for Additional Parties. If there are more than two adverse parties, at least two additional proposed arbitrators shall be added to the list with the above principles of selection to be applied. The number of adverse parties shall be determined by Court Administration, subject to review by a superior court judge.

(f) List of Proposed Arbitrators. Parties do not have to serve choices upon each other and Court Administration must keep selections confidential. Court Administration must retain returned lists of proposed arbitrators until the time for appeal has expired or a request for trial de novo is received, whichever is sooner.

[Adopted Effective September 1, 1996; Amended Effective September 1, 1998; September 1, 2006; September 1, 2021]

Local Mandatory Arbitration Rule 3.1 QUALIFICATIONS OF ARBITRATORS

(a) Arbitration Panel. There shall be a panel of arbitrators in such numbers as the administrative committee may from time to time determine. A person desiring to serve as an arbitrator shall complete an information sheet on the form prescribed by the Court. A list showing the names of arbitrators available to hear cases and the information sheets will be available for public inspection in Court Administration. The oath of office on the form prescribed by the Court must be completed and filed prior to an applicant being placed on the panel.

(b) Qualification. Unless otherwise stipulated, an arbitrator must be a member of the Washington State Bar for 5 years or a retired judge.

(c) Refusal; Disqualification. The appointment of an arbitrator is subject to the right of that person to refuse to serve. An arbitrator must notify Court Administration within three court days of receipt of the notice of appointment if refusing to serve or if any cause exists for the arbitrator's disqualification from the case upon any of the grounds of interest, relationship, bias or prejudice set forth in CJC Canon 3(c) governing the disqualification of Judges. If

disqualified, the arbitrator must immediately return all materials in a case to Court Administration. A party may challenge the qualifications of an arbitrator by motion to the Court if the motion is made within 10 court days of the appointment of the arbitrator.

[Adopted Effective September 1, 1996; September 1, 2003; September 1, 2011; September 1, 2021]

Local Mandatory Arbitration Rule 3.2 AUTHORITY OF ARBITRATORS

(a) Authority. An arbitrator has the authority to:

(1) Determine the time, place, and procedure to present a motion before the arbitrator.
(2) Require a party and/or attorney to pay the reasonable expenses, including attorney fees, caused by the failure of such party and/or attorney to obey an order of the arbitrator unless the arbitrator finds that the failure was substantially justified or that other circumstances make an award of expenses unjust. The arbitrator shall make a special award for such expenses and shall file such award with the clerk of the superior court, with proof of service on each party. The aggrieved party shall have 10 days thereafter to appeal the award of such expense in accordance with the procedure described in RCW 2.24.050. If, within 10 days after the award is filed no party appeals, a judgment shall be entered in the manner described generally under MAR 6.3.

(3) Award attorney fees, as authorized by these rules, by contract, or by law.

(2) Determine the time and place for the arbitration hearing.

(3) Award, by judgment or offset, the fee paid by a party to initiate arbitration where the arbitrability is clear and the party responsible for filing the statement of arbitrability unreasonably delayed in the filing of a statement of arbitrability, regardless of which party substantially prevails.

(b) Motions. All motions shall be presented to the arbitrator, unless a) arbitrability is at issue, b) assignment of arbitrator is disputed, c) motion is for involuntary dismissal, d) motion is for summary judgment, e) motion is for failure to state a cause of action, or f) motion is to add or change parties.

(c) Immunity. Arbitrators shall have immunity to the same extent as provided for superior court judges in Washington State.

[Adopted Effective September 1, 1996; September 1, 2011]

Local Mandatory Arbitration Rule 4.2 DISCOVERY

(a) Additional Discovery. In determining when additional discovery beyond that directly authorized by MAR 4.2 is reasonably necessary, the arbitrator shall balance the benefits of discovery against the burdens and expenses. The arbitrator shall consider the nature and complexity of the case, the amount in controversy, values at stake, the discovery that has already occurred, the burdens on the party from whom discovery is sought, and the possibility of unfair surprise which may result if discovery is restricted. Authorized discovery shall be conducted in accordance with the Superior Court Civil Rules, except motions concerning discovery shall be

determined by the arbitrator. Except as provided in MAR 4.2, discovery pending when a case is transferred to arbitration is stayed except on stipulation of the parties. All discovery admissible under the Superior Court Civil Rules and Washington Rules of Evidence is admissible at arbitration, whether produced before or after the appointment of the arbitrator.

(b) Notwithstanding the Foregoing. The following interrogatories may be submitted to any party:

- (1) State the amount of general damages being claimed;
- (2) State each item of special damages being claimed and the amount thereof;
- (3) List the name, address, and telephone number of each person having knowledge of any facts regarding liability;
- (4) List the name, address, and telephone number of each person having knowledge of any facts regarding the damage claimed;
- (5) List the name, address, and telephone number of each expert witness you intend to call at the arbitration hearing. For each expert, state the subject matter on which the expert is expected to testify; state the substance of the facts and opinions to which the expert is expected to testify, and a summary of the grounds for each opinion.
- (6) If you are claiming bodily injury damages, please describe your present physical condition as the same relates to the incident giving rise to your complaint and being specific as to the area(s) of your body you claim was injured.
- (7) If you are claiming bodily injury damages, please list the name, address, and telephone number of each and every health care provider with whom you treated, consulted with, or were examined by: (a) in the ten (10) years preceding the incident giving rise to your complaint; and (b) from the date of said incident to the present date.
- (8) Identify the existence of and the contents of any insurance agreement under which any person carrying on an insurance business may be liable to satisfy part of all of a judgment which may be entered in the action or to indemnify or reimburse for payments made to satisfy the judgment; and any documents affecting coverage (such as denying coverage, extending coverage, or reserving rights) from or on behalf of such person to the covered person or the covered person's representative. For purposes of this section, an application for insurance shall not be treated as part of an insurance agreement. Discovery produced pursuant to this subsection shall not be disclosed to the arbitrator except in cases where there are bona fide issues of coverage, offset and setoff submitted to the arbitrator for determination.
- (9) Identify all parties who you contend have not been properly served with the summons and complaint. Upon request, all records reflecting the treatments, consultations, and examinations must be produced unless the requester is provided a medical authorization sufficient to allow the requester to obtain independent access to said records at his or her own expense. Alternatively, the requesting party may also request records through depositions upon written questions as allowed by CR 31.

Only these interrogatories, with the exact language as set out above, are permitted.

[Adopted Effective September 1, 1996; Amended Effective September 1, 1998; September 1, 2003; September 1, 2010; September 1, 2011; September 1, 2018]

NOTICE OF SETTLEMENT

(a) Notice of Settlement. After any settlement that fully resolves all claims against all parties, the plaintiff shall, within 5 days or before the arbitration hearing, whichever is sooner, file and serve a written notice of settlement on the form prescribed by the Court. The notice shall be filed with both the arbitrator and the Court. Where notice cannot be filed with the arbitrator before the arbitration hearing, the plaintiff shall notify the arbitrator of the settlement by telephone prior to the hearing, and the written notice shall be filed and served within five days after the settlement.

(b) Dismissal by the Court. If an order dismissing all claims against all parties is not entered within 60 days after written notice of settlement is filed, or within 60 days after the scheduled arbitration hearing date, whichever is earlier, Court Administration will mail notice to the attorneys of record that the case will be dismissed by the Court for want of prosecution unless, within 10 court days after the mailing, a party makes a written application to the Court, showing good cause why the case should not be dismissed. If good cause is shown, the case may be reinstated to the original arbitrator for an additional 90 days or for such period of time as the Court may designate. If an order dismissing all claims against all parties is not entered during that additional period of time, Court Administration shall issue another notice as described above.

The arbitrator may grant a continuance of the hearing date not to exceed 60 days beyond the original hearing date. In the absence of agreement of the parties and arbitrator on the date for any hearing, the arbitrator shall have the authority to set a hearing date over the objection of the parties which is consistent with this rule. Any setting of the original hearing date later than 120 days from the appointment of the arbitrator or any continuance of a hearing date more than 60 days from the original hearing date must be noted on the civil motion docket before the Presiding Judge and will be granted only for good cause shown.

(b) Confirmation of Hearing. Parties must confirm the hearing date with the arbitrator one week prior to hearing. Failure to confirm the hearing with the arbitrator may result in the cancellation of hearing at the arbitrator's discretion. Parties must notify arbitrator of a settlement reached prior to the scheduled hearing date in accordance with LMAR 4.4.

Local Criminal Rule 3.2 RELEASE OF ACCUSED

(a) Bail and Recognizance. Defendants on bail or recognizance are expected to be available for nonscheduled appearances upon seventy-two (72) hours notice to defendant or defendant's attorney. They are expected to be present and on time at all scheduled appearances concerning which they have received either oral or written notice. Failure to appear in accordance with this rule may result in forfeiture of bail, revocation of recognizance, issuance of a bench warrant for arrest or additional criminal charges.

(b) New Conditions of Release. In the event that bail is forfeited for any reason, new conditions of release must be entered and a new bond posted. No order reinstating a previously forfeited bond shall be issued by the court; however, the court may, for good cause shown, vacate the judgment of forfeiture.

(c) Separate Bond Required. All case filings wherein conditions of release requiring bail are set shall require a separate and distinct bond posted by the surety in the specific amount specified for each case. A bond in the aggregate amount for multiple cases will not be allowed nor shall any order be presented to the court that fails to specify the exact amount of bail for each matter addressed in the order.

(d) Post-Conviction Release. No plea of guilty shall be conditioned upon any agreement concerning the conditions of release provided for in CrR 3.2(f).

(e) Bench Warrant after Failing to Appear in Response to a Summons. Any time a defendant fails to appear in response to a summons, including an LFO summons, where it is shown that the summons was not deliverable to the address where sent, and a bench warrant is issued, bail shall be initially set at the sum of \$100.00.

[Adopted Effective April 1, 1986; Amended Effective September 1, 2004; September 1, 2009; September 1, 2017]

Local Criminal Rule 3.4 COURT APPEARANCE OF DEFENDANTS

[Adopted Effective April 1, 1986]

Local Criminal Rule 4.2 PLEAS AND CONTINUANCES

(a) When Heard. If a criminal case is set for trial, but is to be disposed of by a change of plea, the plea shall be heard on or before the pre-trial hearing unless the court authorizes a continuance or a subsequent setting on a later date.

(b) Court Commissioners. Superior Court Commissioners appointed under Article 4, Section 23 of the Washington State Constitution are authorized to accept and enter a plea of

guilty.

[Adopted Effective April 1, 1986; Amended Effective September 1, 2000; September 1, 2003; September 1, 2021]

Local Criminal Rule 4.5 OMNIBUS HEARINGS

- (a) When Scheduled. In every criminal case (except appeals) an omnibus hearing date will be set at the time of arraignment. Except for good cause shown, the omnibus hearing will be set three (3) weeks from the date of arraignment (for “in custody” cases) and four (4) weeks from the date of arraignment (for “out of custody” cases).
- (b) General Provisions.
 - (1) At the time of the Omnibus hearing, it is expected that defense counsel and the prosecuting attorney will have complied with CrR 4.5 including that they will have already met and disposed of all matters on the omnibus application that can be disposed of and that plea bargaining will have been considered. The Court has discretion to continue the Omnibus hearing as contemplated by CrR 4.5(e).
 - (2) If it is necessary to hold a suppression hearing or a CrR 3.5 hearing, counsel or the pro se party desiring the relevant hearing shall have that hearing scheduled and heard before the parties submit the *Joint Pre-trial Report* at the pre-trial hearing. See Local Criminal Rule 4.11(b)(5)
 - (3) If there will be no pre-trial motions or hearings in a case, and all parties agree that an omnibus hearing would not be beneficial, then prior to the Omnibus hearing date, the Omnibus Order shall be presented along with a stipulation and order striking the Omnibus hearing which shall be signed by the prosecuting attorney and defense counsel or the pro se defendant.

[Adopted Effective April 1, 1986, Amended Effective September 1, 2011; September 1, 2018; September 1, 2019; September 1, 2021; February 1, 2023]

Local Criminal Rule 4.5.1 CRIMINAL SPECIAL SET HEARINGS

(a) **General Provisions.** No request by a party for a special setting in a criminal matter will be considered unless it is in a filed proposed note for motion, request for setting and order which contains: (1) The nature of the hearing or hearings requested; (2) The reason(s) the hearing or hearings cannot be set on an existing criminal regular dockets, 3.5/3.6 dockets, or preliminary appearance dockets in compliance with the rules applicable to those dockets; (3) a proposed date certain and/or earliest date proposed for hearing; (4) whether briefing has been completed; and (5) whether the opposing party has been contacted and whether the opposing party agrees or disagrees with the request.

(b) Pleadings. The proposed note for motion, request for setting and order shall include a check box titled “CLERK’S ACTION REQUIRED” in the caption, and the order shall contain language whereby the Court will grant or deny the request for special setting in whole or in part, and if granted, the date on which the motion will be heard.

(c) Procedure For Review And Decision. Only after filing, the moving party may provide a copy of the pleading to Court Administration. The Administrative Assistant or designate will review the request, provide the same to a judicial officer for review, and notify the parties of the decision. Absent compelling circumstances, the moving party may inquire regarding the status of the request no earlier than one week after submission.

[Adopted Effective September 1, 2021]

Local Criminal Rule 4.9 PRE-TRIAL CONFERENCE

(a) General Provisions. In every criminal case, a hearing shall be held for the purpose of determining whether the parties have fully considered the possibility of disposition of the case without trial; for the purpose of entering a plea should a plea be tendered; for considering the matter of requests for continuance; and for any other appropriate matters.

The hearing shall be set on the criminal law and motion docket no earlier than (2) dockets prior to the trial date. The Court may direct an earlier setting and enter further orders where necessary to assure that final witness and exhibit lists are filed and that exhibits are prepared and provided as directed. It shall be the responsibility of each defense attorney, upon receipt of the notice of the trial date, to notify the defendant of this hearing.

The defendant’s presence at such hearing shall be mandatory. The failure of the defendant to be present at such hearing (unless the case has been previously disposed of or the pre-trial conference stricken) will be presumed to result in the revocation of bail or personal recognizance and the issuance of a bench warrant for the defendant’s arrest. It may also result in the imposition of the sanctions.

If the parties have conferred, and defense counsel has communicated with and secured the signature of the Defendant, a signed completed waiver of speedy trial and an agreed order setting new dates can be presented *ex parte* for signature. When signed and filed earlier than 12:00 p.m. of the day prior to a given docket, the waiver and agreed order will strike the hearing from that docket.

(b) Trial Readiness Filing. When the parties answer ready for trial, they must file a Trial Readiness Form which indicates: (1) The number and nature of charges, (2) The anticipated length of the case, including jury selection, (3) The total number of witnesses each parties may call, (4) The total number of exhibits each party may offer, (5) The number of witnesses each party may call who require the aid of an interpreter, and the language that witness speaks, (6) any other special accommodations a witness for a party may require to provide testimony, (7) proposed dates for trial either as agreed dates or each party’s proposed dates for trial. The proposed order shall be uploaded to e-motion in accordance with LCrR 4.5(c).

(c) Sanctions, Enforcement, and Non-Compliance Hearing. If a party fails to submit

bench copies the Court may continue the hearing, impose terms and enter other orders as may be appropriate.

Local Criminal Rule 4.11
**CRIMINAL DOCKET and 3.5/3.6 DOCKET PROCEDURES, PRE-TRIAL
AND TRIAL READINESS PROCEDURES FOR CRIMINAL
PROCEEDINGS FOR ADULT CASES**

Comment

The public health emergency in Washington State due to SARS-COV-2 virus (COVID-19) has ended; however, the duration of the public health emergency for over two plus (2+) years resulted in a significant backlog of criminal cases. Given the inherent authority of this Court to ensure the safe and effective administration of justice and, additionally, pursuant to the authority of Washington Supreme Court Order No. 25700-B-697, this Court implements this local rule to govern relevant docket procedures, pre-trial, trial readiness and the trial setting processes all of which is warranted to address the ongoing administrative challenges presented by the COVID-19 pandemic and the public health emergency related thereto.

(a) Trials.

The term “trial,” as used in this rule, includes both bench and jury trials, where a party has a right to a jury trial.

(b) Criminal.

(1) Court Commissioner. Court commissioners, in addition to the power, authority and jurisdiction to hear matters as detailed in RCW 2.24.040, shall also have the power, authority and jurisdiction to accept pleas.

(2) Docket Processes (Criminal Docket and 3.5/3.6 Docket).

i. Docket Operation. The Court will call the docket in numerical order with the following exception: at 9:00 a.m. (or as soon thereafter as it can be done) the Court in each county will address, in numerical order, all out-of-custody arraignment matters. For those defendants who have multiple matters before the Court, all of that Defendant’s cases will be called together with the first case that appears numerically on the docket. If a matter is not ready to proceed when called, it will be either continued or stricken as the Court deems appropriate.

ii. Arraignments. Defendants shall appear in-person for arraignments unless the Court finds good cause to waive that requirement, *e.g.* the defendant’s residence is out of state. See CrR 3.4 (b).

iii. Continuances/Waivers of Speedy Trial. Waivers of speedy trial, continuances at defense request and agreed continuances shall be memorialized in writing using the form provided by the court.

iv. Pre-Trial Setting. Pre-trials shall be set at least two weeks before trial.

- v. Defendant's presence and notice of court dates. See CrR 3.4 and CrR 3.3 (f)(1).
- vi. Guilty Pleas and Sentencings. The Court finds good cause to require Defendants to appear in-person for a hearing that includes a guilty plea so the Court can satisfy its obligation to confirm that the plea of guilty is entered knowingly, intelligently and voluntarily, as required by CrR 4.2(d). Defendants shall appear in-person for a hearing that includes a sentencing. For these hearings, in-custody defendants shall be brought to court: i) in Benton County, after the out-of-custody matters are heard; and ii) in Franklin County, at 8:30 a.m.
- vii. 3.5/3.6. The procedures detailed on the Court's website shall be followed. For those procedures, see the following link:
<https://www.co.benton.wa.us/pview.aspx?id=55170&catid=45>.
- viii. Disqualifications. If an affidavit of prejudice or notice of disqualification is or has been filed in a case against a judicial officer handling the criminal docket or 3.5/3.6 docket, the matter shall be continued one week for good cause unless the judicial officer advises the parties that a conflict judge is available. Parties may not request a conflict judge for a docket. Parties shall not contact Court Administration to determine if a conflict judge has been assigned. In the case of a critical state hearing where continuance would affect a fundamental right of a party or person with an interest in the matter and provided the Court has notice thereof, the Court may vary this procedure.

(3) Pre-Trial: Cases with a previously filed Joint Pre-Trial Covid Report (JPTCR). If, by the effective date of this rule, the parties have already filed a **JPTCR** and have a trial readiness hearing date set, then the following shall be done (if not yet done) before the next Trial Readiness hearing:

- i. **Each party shall file and serve** a witness list;
- ii. **The deputy prosecuting attorney shall**, pursuant to CrR 4.7(a)(1)(vi), provide "any record of prior criminal convictions known to the prosecuting attorney of the defendant and of persons whom the prosecuting attorney intends to call as witnesses at the time of the...trial";
- iii. **Each party shall upload** on eMotion a completed *Trial Readiness Hearing Status Form*¹ by noon on Wednesday before the scheduled Trial Readiness Hearing which, **for adult matters**, is currently held on a Trial Readiness Docket in each county on Monday mornings.²
- iv. **Each party shall comply** with Paras. 5-13 (hereinbelow), if and as applicable.

(4) Cases without a Joint Pre-Trial Covid Report (JPTCR).

- i. **Pre-Trial Hearing.** If, by the effective date of this rule, the parties have not filed a JPTCR, then the following shall be done before the initial Trial Readiness hearing is scheduled:
 - a. When discovery is completed and all pre-trial motions have been heard³ and resolved, the parties are then ready for trial. At that time, the parties shall provide a completed and signed *Joint Pre-Trial Report*⁴ ("*Pre-Trial Report*") to the Court at the pre-trial hearing on a criminal docket.

¹ See **Exhibit A** attached hereto.

² Days and times are subject to change and relevant updates thereto will be provided on the Court's website.

³ See Para. (b)(5) hereinbelow.

⁴ See **Exhibit B** attached hereto.

- b. The Court shall review the *Pre-trial Report* and, if approved, the Court will sign the “*Pre-Trial Report*”, advise the parties on the record of the date for the Trial Readiness hearing and enter the date on the first page of the *Pre-Trial Report*.
- c. Once approved, the *Pre-Trial Report* shall be filed with the Clerk of the Court. On the same day as the pre-trial hearing, the deputy prosecuting attorney (DPA) on the case shall ensure a copy of the *Pre-Trial Report* is e-mailed to the Judicial Assistant for Benton-Franklin Counties Superior Court (BFCSC).⁵

(5) Pre-Trial Motions. Except for motions in limine, all other pre-trial motions not required by law or court rule to be heard by the trial judge shall be resolved prior to entry of the *Pre-Trial Report*.

(6) Witness Lists and Criminal History Summaries. At the time of the pre-trial hearing, parties shall file and serve, or confirm on the record with the Court that they have previously filed and served a complete and accurate final witness list including the name (or initials where appropriate) and address of each witness a party intends to call at trial as required by CrR 4.7. Witnesses who are purely rebuttal witnesses need not be listed by either party. The State must also confirm on the record with the Court that it has provided the opposing party with any applicable criminal conviction information for each of its witnesses in accordance with CrR 4.7(a)(1)(vi).

(7) Trial Readiness Hearing.

i. **Trial Readiness Hearing Status Form.** For purposes of informing the Court of the status of a case including but not limited to whether a case is ready for trial or whether a continuance will be requested: Each party shall complete a *Trial Readiness Hearing Status Form* and shall, no later than noon on the Wednesday before the next scheduled Trial Readiness hearing/docket, upload the same on eMotion. The parties may file an agreed *Trial Readiness Hearing Status Form*. This form shall not be filed with the Clerk.

ii. **Metrics for Trial Settings.** At the time of Trial Readiness hearing, the Court will utilize metrics to prioritize cases for trial and set trial dates in accordance with the law and applicable court rules. The metrics listed below are not exclusive, nor weighted, and no inference is to be drawn from the order in which the following factors are listed:

- a) Amount of time remaining in speedy trial;
- b) Date of original charging Information;
- c) Whether defendant is in custody or out of custody;
- d) Nature of the pending charge(s);
- e) Number of days trial is expected to take;
- f) The number of confirmed jurors;
- g) The number of available courtrooms for the estimated duration of trial;
- h) The availability of judges pro tem – if necessary to determine;
- i) The availability of visiting judges – if necessary to determine;

⁵ The opposing counsel or unrepresented party (if out of custody) shall be included in the e-mail; if the unrepresented party is in custody, the DPA shall forward a copy of the e-mail and *Readiness Report* to the party in custody.

- j) The length of the continuance, the likelihood the continuance will result in additional delay and, if additional delay is likely, the probable length of such delay;
- k) The number of times each side has been ready at any prior Trial Readiness hearing; and/or
- l) Witness availability issues including whether there are out-of-state witnesses.

(8) COVID Obligations. Each party shall, **prior to** the Trial Readiness hearing, provide notice to all its witnesses that those witnesses have an ongoing obligation (until the trial is complete) to notify the parties if s/he/they are positive for COVID or otherwise required to quarantine/isolate during any portion of the anticipated trial. Witnesses shall also be notified by the party intending to call that witness that all witnesses are expected to testify in-person and unmasked unless other arrangements have been agreed to by the Court. Other than rebuttal witnesses, the parties shall address any issues regarding witness availability in their motions in limine.

(9) Obligation to Check Trial Calendar. Court Administration has created and will maintain a publicly available Trial Calendar with all trials set for the next six (6) weeks. Court Administration will endeavor to update the Trial Calendar no later than 5 p.m. every Monday, subject to change at the Court's discretion. Parties have an obligation to check the Trial Calendar on the Court's website: (<https://www.co.benton.wa.us/pview.aspx?id=55107&catid=0>) prior to the Trial Readiness hearing so that parties are ready to address the court regarding trial dates.

(10) Stand-By Trials. There will be times when the Court has the ability to place a trial on stand-by, meaning that the stand-by trial will proceed only in the event another scheduled trial concludes early or does not proceed as scheduled. The Court intends to set "qualifying" cases on stand-by status which means the parties will be ready to proceed with trial, either bench or jury, on the next available court day from when the parties are notified by Court Administration (which will be by noon each day) that their case will proceed to trial. "Qualifying" cases are cases that the Court determines have no need of a questionnaire, are scheduled to last up to four days, have no expert witnesses and have no out-of-state witnesses. For cases that are placed on stand-by but do not proceed to trial, the Court will consider that information as an additional metric for trial setting purposes). *See (b)(7)(ii) above.*

(11) Pick-and-Try and Pick-and-Send. The Court will also utilize pick-and-send and pick-and-try trials as resources are available. The Court will notify the parties at the time of Trial Readiness if their trial(s) are chosen for pick-and-send or pick-and-try.

(12) Trial Obligations – To be completed no later than two (2) court days prior to trial.

- i. Trial Memorandum. The parties have discretion to file and serve a trial memorandum. If a party files a trial memorandum, a copy of the same must also be uploaded to eMotion no later than 4:00 p.m. on the Thursday before trial in Benton County and no later than 4:00 p.m. on the Monday before trial in Franklin County.

ii. **Motions In Limine.** Motions in limine must include the following information: the anticipated length of the case (including jury selection), the number of witnesses the party presently intends to call (the defense may instead indicate the maximum number of witnesses they intend to call), and whether any witnesses are requesting to be masked while testifying or to testify remotely. Unless motions in limine are scheduled for a special set hearing before trial, motions in limine must be filed and uploaded to eMotion no later than 4:00 p.m. on the Thursday before trial for Benton County cases, and 4:00 p.m. on the Monday before trial for Franklin County cases.

iii. **Special Questionnaire (if applicable).** The parties shall forward the agreed-upon special questionnaire in WORD format by e-mail to the Judicial Assistant for BFCSC no later than 4:00 p.m. on the Thursday before trial in Benton County and no later than 4:00 p.m. on the Monday before trial in Franklin County.

(13) General Obligations of the Parties. Parties have an on-going responsibility to notify the Judicial Assistant by email as soon as it is known that a trial, which has previously been set at a Trial Readiness docket, will be stricken or moved for any reason as well as provide any other relevant updates which will impact the calling of a jury, *e.g.* an anticipated change of plea, so that the Trial Calendar can be timely updated and other trials may proceed.

(14) This rule will assure, to the greatest reasonable extent possible, that limited judicial resources and other limited resources are expended only on those cases that are truly ready for trial. The Court will make “individual findings” in each case where an issue regarding the remaining time for trial is raised and/or as otherwise required by law or established court rule.
