Public Hearing

Six-Year Road Program – Doug D'Hondt, County Engineer

A Six-Year Road Program is required to be prepared every year, describing the road maintenance and improvement program for Benton County Public Works. The County prepares an annual update to this program, as required by state law. The annual update includes the addition of any new projects and removal of any projects that have been completed in the previous year. A program has been prepared for 2022-2027, with a total of 19 projects. Staff recommends approval of the program as presented. **The Board moved and seconded to approve the 2022-2027 Six-Year Road Program as presented. Motion carried.**
