Staff presented Benton County's 2023 State Legislative Agenda, which outlines and articulates the primary policies, projects, and programs that the County will emphasize during the upcoming 2023 Washington State legislative session and throughout the year. The document was compiled with input from managers, administration, and our consultants from Gordon Thomas Honeywell Governmental Affairs. A meeting with local legislators, including those recently elected, is scheduled for Tuesday, December 13, 2022 to discuss these priorities and begin dialogue with legislators about the upcoming session. **The Board moved and seconded to approve the resolution adopting the 2023 State Legislative Agenda as presented.
