Scheduled Business

Hanford Briefing – David Reeploeg, Hanford Communities Executive Director, Bob Suyama & Pam Brown-Larsen, Hanford Advisory Board Representatives

This presentation was an annual discussion between the Board and Hanford Communities and the County's Hanford Advisory Board representatives. Benton County is a founding member of Hanford Communities (HC), a local information-sharing and advocacy coalition comprised of local governments. We also have representation on the Hanford Site's "site specific advisory board" which here is the Hanford Advisory Board (HAB). The HAB advises the Department of Energy on matters of policy and cleanup. HC and HAB are not related but intersect on many issues. **No Board action.**
