Subject: Answers to the Questions Posed

On February 14th, Law and Justice Council Chair, Kennewick Police Chief Chris Guerrero, received the below questions from the Benton County Commissioners via the Deputy County Administrator. These questions were discussed at Law and Justice Council (“the council”) meetings on February 15th and February 22nd. The answers to the questions below received unanimous votes.

Should the Public Safety Sales Tax (PSST) be renewed?

Answer: Yes

What has the revenue generated from the PSST been utilized for across the region since its inception? How has that benefited the region?

Answer: This information will be shared directly to the Deputy County Administrator via each jurisdiction.

What is the LJC recommendation on the rate for the tax should it be renewed?

Answer: Continue with 3/10's

If the tax is renewed should there be a sunset and, if so, what time frame should that be?

Answer: Based on the jurisdictional continued need, the council recommends no sunset. If the Commissioners determine there is a need for a sunset, the council recommends a 10 year sunset.

Should costs related to SECOMM and regional 911 be included as eligible uses of the tax? If so, who contributes to SECOMM and how much?

Answer: Yes, SECOMM and regional 911 should be included as eligible uses of the tax. Individual jurisdictions can provide who and how much each contributes to the Deputy County Administrator.
