

Presidential Primary Supplemental Ballot Reconciliation Report

County name

This report supplements the Ballot Reconciliation Report for the Presidential Primary.

Consolidated Ballots Rejected by the Canvassing Board: Tracked Outside of VoteWA

Cross-party voted ballots rejected The total number of consolidated ballots rejected for a cross-party vote. (Voted party ballot does not match the marked party declaration.)	
Both-party voted ballots rejected The total number of consolidated ballots rejected for a both-party vote. (Ballots cast for both political parties.)	

The totals above should be included on the Ballot Reconciliation form:

- Line 26: “How many envelopes without ballots were credited, including ballots of other elections?”
Add “Cross-party voted ballots rejected” and “Both party voted ballots rejected” (above) to the empty envelopes and other instances where voters received credit for voting, but their ballots were not counted.
- Line 93: “Of the total above, how many were rejected other reasons?”
Add “Cross-party voted ballots rejected” and “Both party voted ballots rejected” (above) to the other reasons included on line 93.

After completing these steps, please send the Presidential Primary Supplemental Ballot Reconciliation Form with the Official County Canvass Report and Ballot Reconciliation Report to CTSupport@sos.wa.gov .
