**11.17.010 PURPOSE.** The purpose of this chapter is to meet the minimum requirements of the State Growth Management Act (Chapter 36.70A RCW) that mandates the designation and protection of agricultural lands of long term commercial significance. The chapter protects the GMA Agricultural District (GMAAD) and the activities therein by limiting non-agricultural uses in the district to those compatible with agriculture and by establishing minimum lot sizes in areas where soils, water, and climate are suitable for agricultural purposes. This chapter is intended to work in conjunction with Chapter 14.05 BCC entitled "Right to Farm" which protects normal agricultural activities from nuisance complaints.

The authorization of new fully contained communities as provided for under RCW 36.70A.350 is not prevented by this chapter.  
[Ord. 611 (2018) § 57]
